Terrible Red Patches on Face and Arms Made Victim Ashamed to be Seen - Suffered Intensely for Ten Months - Expert Treatment Gave No Relief-Two Sets of the

CUTICURA REMEDIES ENTIRELY CURED HER

"About two years ago I contracted eczema and suffered intensely for about ten months. At times I thought I would scratch myself to pieces. My face and arms were covered with large red patches, so that I was ashamed to go out. I was advised to go to a doctor who was a specialist in skin diseases, but I received very little relief. I tried every known remedy, with the same results. I thought I would never get better until a friend of mine told me to try the Cuticura Remedies. So I tried them as the last resource, and I am very glad that I did, for after four or five applications of Cuticura Cintment I was relieved of my unbearable itching. I relieved of my unbearable itching. I used two sets of the Cuticura Remedies (Soap, Ointment and Pills), and I am completely cured. I always recommend Cuticura to any one that is suffering and in every case it seems to cure. Miss Barbara Kral, 629 Mt. Pleasant Ave., Highlandtown, Md., Jan. 9, '08."
